

# It's Friday afternoon, where is the negative pressure system you ordered?

## WE'VE GOT YOU COVERED!

RELAX

### Everything you need to initiate treatment 24/7 with Streamline MedEquip N.P.W.T Consignment.

#### HOW IT WORKS

- Streamline provides you with a NPWT (Wound VAC) consignment container with everything included.\*\*
- No charges until unit is put in to use.
- When Streamline is notified the unit is started we start a daily rental.
- We personally work with your wound care team to ensure adequate supplies/accessories are stocked on site.
- Streamline provides 24/7 clinical and technical support.
- All rentals can be tracked on Streamline's on-line rental review for accurate transparent billing.

\*\*Consignment Container includes (Basic Set-up):
